CIRCULAR LETTER NO. 31

Supervisors of Schools and
High School Principals.

Ladies and Gentlemen:-

CHANGE IN HIGH SCHOOL ENGLISH

The course of study in English has been modified in regard to the number of compositions required. Instead of one composition a week a total of 15 compositions a semester, or 30 compositions for the year will be required. All compositions must be carefully corrected.

We expect every teacher to cover the required work in a satisfactory manner.

Very truly yours,

(Sgd.) JUAN B. HUYKE
Commissioner of Education
